Beef Wellington

PLEASE NOTE: The below instructions are guidelines only. Every piece of kitchen equipment is different and unlike our other meals the Beef Wellington is provided raw and must be cooked and not simply reheated. Depending on your skill level with cooking we strongly recommend the use of a meat thermometer/probe and this meal is not recommended for people who do not have adequate experience with the operation of their oven.

Preheat oven to 375F convection (recommended), 400F for a still oven. Uncover Beef Wellington, put the foil container on the middle rack, bake for about 20 to 25 minutes until puff pastry is golden brown, beef will likely be rare / medium rare. If you desire your meat to be cooked further continue to cook for 5-10 more minutes. You can use a meat thermometer to check the internal temperature after 20 minutes. Rest for 10 minutes before slicing. (Medium rare is 135F). Warm jus in a small pot on the stove or in the microwave.
